

He

...cannot love anyone

...can think for himself

...cannot talk to people

...is bad sometimes in class

...can make mistakes

...learns when he makes mistakes

...speaks in class

...never really learns anything

...can have a conversation

...can have fun

...only repeats things

...doesn't have a brain, only wires

...is always good in class

...has a brain

...doesn't have feelings

...loves his friends and family

...never makes mistakes

...chants in class

...cannot have fun

...has his own ideas

He is good in class
always.

He is bad in class
sometimes.
